For over 30-years Seajoy has been a trusted source for sustainably and responsibly farmed Pacific white shrimp.

That's because Seajoy carefully nurtures and controls every aspect of production at our vertically integrated farms in Ecuador, Honduras and Nicaragua. Our close proximity to North America gives us the flexibility to work closely with our customers, to develop the new products their markets demand.

Let Seajoy's renowned premium White shrimp help grow your sales... and your profits, year after year.
